

# WHAT'Z UP OC

March-April Issue #25

Birthday parties, Easter Egg Hunt and daily activities... just a few things we have been keeping ourselves busy with as we get ready for the colder months !

Our annual Easter Egg Hunt was a massive success all thanks to the wonderful OC family who generously donated marshmallow eggs for the event. A major thank you to everyone who made this day possible.

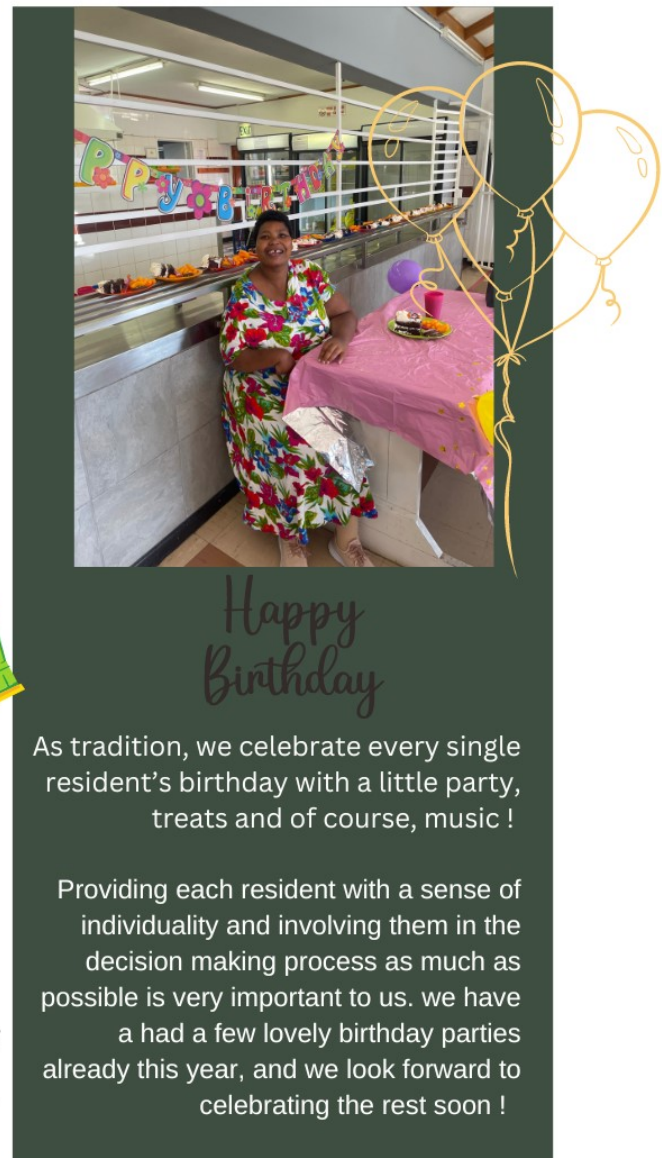

At the end of March, we bid farewell to one of our residents. While we are sad to see him go, we are proud of what we were able to accomplish and wish him and his family everything of the best !

## Gardening

Our residents have been working hard at maintaining our vegetable garden. We have recently planted new seedlings and look forward to harvesting soon !

Our chickens, the latest addition to the sensory garden, has been widely popular among the residents, who are eagerly awaiting to see them lay some eggs.

Happy Birthday

As tradition, we celebrate every single resident's birthday with a little party, treats and of course, music !

Providing each resident with a sense of individuality and involving them in the decision making process as much as possible is very important to us. We have had a few lovely birthday parties already this year, and we look forward to celebrating the rest soon !
