

WHAT'Z UP OC

Hello, family !

HAPPY BIRTHDAY!

Birthdays are very important to us. This is the one time of the year each resident gets to be celebrated individually. We set up a separate table for the man/woman of the day, and our afternoon tea time is filled with cake, singing, dancing and most importantly, celebrating our deserving residents. Visit our Facebook and Instagram pages for videos on what we get up to.

THANK YOU SPUR!

Our residents participating in our vocational program were pleasantly surprised by an all expenses paid meal to celebrate Spur's birthday month. The table was set upon arrival and the staff were a delight. This also served as a "year-end function" to celebrate hard work and consistency for our hard working men and women.
